

DEEPSØNØS

EXPERIENCE THE DEPTHS OF YOUR MEDITATION POTENTIAL.

WORKSHOP.

A beautiful full-spectrum sound meditation experience. Beginning with verbal guidance, cinematic sonic bass producer/violinist/vocalist HÄANA takes participants deep into a hyper-tuned awareness of their senses, then transitions to her palette of sounds & paints an original, intuitive & intricate sound journey, for a profound subconscious sojourn. Each DEEPSØNØS WORKSHOP meditation journey is created in the moment specifically for the participants, geographical location, & astrological configuration.

EPISODES.

10-minute sonic meditation downloads produced at 432hz, designed to enhance your meditation/mindfulness practice wherever you are. [deepsonos.com/episodes]
